# COMMUNITY SUPPORTED AGRICULTURE

Memberships Offered  
Annually March 1 to June 1

*Sign-up before May 1<sup>st</sup> to receive  
an additional \$10.00 on your total.*

## Community Supported Agriculture:

CSA is a popular way for consumers to purchase locally grown food and support local farms. Customers prepay for products in the spring to help with the farms start-up costs and then redeem the goods as they come in throughout the season.

*CSA's offer a unique connection between the consumer and the farm that is beneficial to both.*

## Here is how our CSA works:

Complete the registration form and mail it to us with your payment. Choose which of our markets (Fryeburg or Conway) you wish to redeem your goods. You can then shop at your convenience, and your purchases are deducted from the credit you established by paying early. Cards will be kept at each market with your running total.

*Your share can be used for purchasing anything at our markets (it's all supporting local agriculture).*

## Membership Price:

Memberships are offered in increments of \$100.

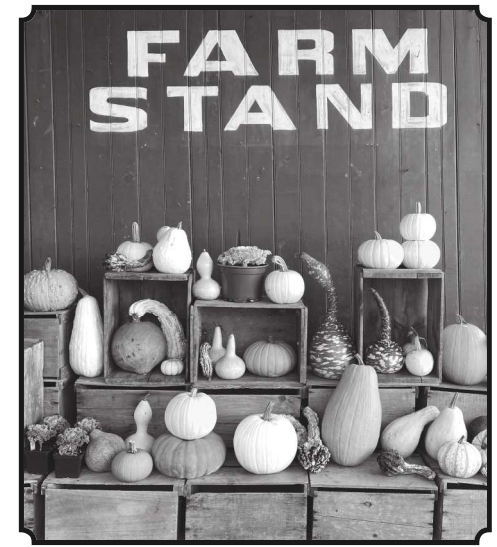

For every \$100 purchased you will receive an additional \$5 to spend. Payments received before May 1<sup>st</sup> will receive an extra \$10 on the total.

Example: If you sign-up for \$300, and pay before May 1st, you would receive \$325 to spend.

*Be sure to use your membership in full each season as unused money will not be carried over to the next season. You can purchase frozen meats or canned goods if you have unused funds.*

\*Our CSA program sign-up period is March 1st to June 1st each year. The CSA program includes added bonuses for the customer for their preseason payment.

After June 1st we will still accept prepayments as a line of credit for farm purchases, similar to the CSA program, but there will not be added bonus funds.
